

Dress Up Drawings

Inspired by Made to Play by Joel Henriques <http://madebyjoel.com/madetoplay>

Create a mixed media illustration
with this fun kit

Materials in the kit

- Fabric samples
- A piece of matboard
- A matboard frame
- A pencil
- Glue

You will also need

- Scissors
- Markers, crayons or colored pencils
- IMAGINATION!

1. Turn over the colored matboard frame and lightly trace the inside opening onto the piece of white matboard. The white matboard is your creating surface and the line is the image area.

2. Imagination time! Decide what you're going to illustrate and lightly sketch it out within the pencil border. Invent a character or draw a family member or pet. Or create a critter.

3. Be a costume designer! Create a costume or outfit for your character/s. Cut the fabric and glue it down where you think is best.

4. Add details using markers, crayons or colored pencils.

5. Place your colored mat on top of your finished illustration. Glue it on if you'd like.

3. & 4.

5.

Artsy Postcards

Share the love . . . and the art!

Design the blank side of the postage paid postcard, enclosed. The sky's the limit with this--draw, paint, or collage. Have fun with it! Then:

Option 1

Turn it over and write a nice message to a loved one, address it, and send it off. It's that easy.

Option 2

Send your artsy postcard as a thank you note to the people making Art Kits for All possible. Sent it to:

Waterville Creates
Attn: Serena Sanborn
10 Water St., Suite 104
Waterville, ME 04901

We'll share the gratitude on social media and with the folks that have donated.

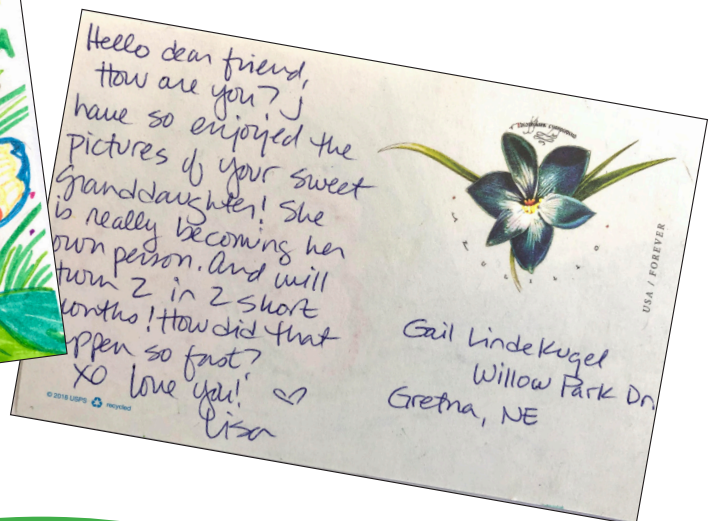

Front

- Starts off blank
- Art goes on this side

Back

- Message and address go on this side
- Postage is already paid!

We'd love to see what you create!

#artkitsforall
#artathome

Be bold in your creativity!

Art Kits for All is a partnership project, designed to offer creative fun for people of all ages; these kits will be distributed at various times in different locations in the Waterville area. You'll find updates and many more resources at the websites/social media accounts for the Colby College Museum of Art (www.colby.edu/museum) and Waterville Creates! (www.watervillecreates.org).
